

Jazz Festival Rep List

Selecting Repertoire

There have been repeated requests for a jazz repertoire list. Although the committee feels it would be inappropriate to have a required list similar to the concert band, we understand that a resource list could be helpful to teachers. **This is not a required list. No scores will be provided.**

The difficulty ratings are only a guideline and can vary considerably depending on the strengths of particular players. Well-developed programs with decent rehearsal time, will normally find themselves selecting music using the following guidelines.

See application form for jazz classes

Class	Difficulty Rating
Beginner (typically grade 8 and lower)	1-2
Junior (typically grade 9 and lower)	2-3
Intermediate (typically grade 10 and lower)	3-4
Senior (typically grade 11/12 and lower)	4-5
Advanced (typically advanced grade 11/12)	5-6
