

2019 Summer Jazz Camp

The University of Manitoba Jazz Camp is in it's 25th year in August 2019. It is an exceptional jazz experience for instrumentalists and jazz vocalists of all ages. This camp is a Jazz Performance based experience, designed to help all participants to reach for the next level of their jazz playing skills.

Who Will focus on those entering grades 9- 12 but welcome younger and older players who have a keen interest in jazz and improvisation. As has been the case since its inception, the camp will be structured around the small group jazz experience with an emphasis on improvisation.

Activities Combos • Master Classes • Concerts • Performances • Listening • Improvising • Technique • Arranging • Fundamentals • Theory • Jam Sessions

Staff Includes a world-class guest artist, ensemble instructors, improv class instructors, selected from U of M jazz faculty members and local jazz musicians and teachers. The student/staff ratio is approximately 8:1.
